

A Journey Of Endless Possibilities

CVACNA XXIX

Nov. 9 - 11, 2018 | Burlington, VT

“It’s possible we can break the cycle, it’s possible we can exceed our dreams, it’s possible that we are much more than we ever gave ourselves credit for. Each time we realize it’s possible, our faith grows stronger. Hope doesn’t end. No matter how much better or worse it gets, we know that there is still reason to look forward. We begin to experience unconditional hope.”

-Living Clean: The Journey Continues
pg. 226-227

“...we are free to live in the present, able to enjoy each moment and experience gratitude for the gift of recovery. Memories of the past no longer hold us back, and new possibilities appear. We are free to go in directions we never considered before. We are free to dream and to pursue the fulfillment of our dreams. Our lives stretch out before us like a limitless horizon.”
