WHY REGISTER?

Your registration money pays for the convention. In producing a convention, many expenses are incurred. These include, but certainly, are not limited to: meeting rooms, printing of flyers, signs, and banners, entertainment, registration package items, even down to the fruit in the hospitality room. Pretty much every event during the convention is paid for by your registration.

So, as you can see, by registering you are, in effect, doing your part to ensure that the Southeastern Massachusetts Area convention continues to serve our area and carry the message of N.A.
