ADMINISTRATIVE REPORTS:

Chair (Cyndi W.)

- Welcome to our new home! Please, no wandering around the facility. We have been instructed to perform a thorough walk thru at the end of each ASC meeting to ensure there is no one left in any of the bathrooms before we lock up. Please help us put the rooms back as we found them. Also, we will need a greeter, as the doors cannot be left propped open. Thank you to everyone who helped with this today. Finally, a few times a year parking will be an issue, as the church rents their spots to PPAC guests. However, there is PLENTY of on street parking on Empire Street, and the meters are free on Sundays.

Vice Chair (Bill H.)

-

Secretary (Chelsea B.)

- Please, subcommittee chairs and executive committee members, make your reports available by the 10th calendar day after area. The deadline to submit the minutes to the groups is 15 calendar days after the meeting. If the reports are not submitted in a timely fashion, they will not be included in the minutes.

H&I: (Mike F.):

The subcommittee met in its usual manner at 2 p.m. There were 2 commitments missed this past month. There was some headway made with our corrections issue, the commitments are being filled but we hope to have our clearance issues worked out soon. The subcommittee had elections for all panel leaders and panel coordinators. We nominated 20 out of 24 panel leaders. There is the first Friday night at Phoenix House, the second Saturday at Adcare, and the first and fourth Saturday morning at Roger

Williams still open. The Roger Williams panel coordinator position is still open as well. Overall elections were a success and I look forward to filling the 4 open panel leader positions and 1 open panel coordinator position hopefully for the next months subcommittee meeting. Also, the subcommittee will be receiving basic Texts from the regional subcommittee which we will be giving to the corrections coordinator.

In Loving Service,

Policy (Steve W.)

After researching and compiling current and past policies of the GPA ASC, we produced a "compilation" document which was submitted to area and sent back to groups. We have now produced a second document, which is a first draft designed to transform the compiled policies into a coherent policy handbook for the area. The goal of this project is to produce a coherent document that is internally consistent and consistent with the current practices of the GPA and NA as a whole. In some cases, we also recommend that the area revive practices which are "on the books" but have not been followed in recent times. We have also tried to make the document as comprehensive as possible. So instead of just directing the reader to the "NA Guide to Local Service," we have actually included relevant/helpful information from that document directly in the proposed text.

THIS IS ONLY A PROPOSED SET OF CHANGES:

When reading through the text you will note that there are sections of regular text, *sections of italics*, and sections with ~~strikethroughs~~. The sections with regular text are existing policies ("on the books", whether followed or not, and whether in conflict with some other policy or not.) The sections with italics are proposed new text, and the sections with strikethroughs represent wording that is currently in policy, but the committee is recommending that it be eliminated either for the sake of clarity, aligning policy better with current practice, or internal consistency.

This document is being submitted to be sent back to groups and anyone in the area who is interested, along with my email (s.jos.williamson@gmail.com) for a period of open comment and discussion. Any suggestions, objections, or comments will be circulated to the policy subcommittee as we continue our work. Depending on the number of comments, suggestions, and/o objections to any part of the proposed policy, the committee will produce a "clean" copy of the proposed document to be distributed to all groups for approval. This will be done (depending on the level of feedback) within the next two months. At that point groups will be asked to vote for or against the revised policy manual, with the understanding that any group can propose further revisions to the Area at any time.

To recap, the committees plan is a three stage process.

I. We compiled a record of all policies "on the books"

II. We have produced a draft document for public comment

III. We will submit a proposed comprehensive policy manual for an "up or down" vote to groups, after the period of public comment.

In loving service ,
Steve W.

Public Information Report (Marissa J.)

The PR subcommittee met at the new location on March 24th 2019.

Topics Discussed:

Learning Day-

For clarity the learning day will be separate from Waterfire there seemed to be a decent amount of concern and confusion at the ASC from my last report, so to clarify, we are not at all associated with Waterfire and will not have a booth there. This was just an option as a free fellowshipping opportunity after the learning day if anyone would like to join us. Also, this is currently just a joint H&I and PR learning day. In our policies for the two subcommittees we are required to put a learning day on annually on these subjects. We as a subcommittee are open to being involved with other unity days and/or traditions and concept learning days but the current format of this learning day is just focused on spreading information and resources about our local H&I and PR subcommittees, how they work and how to get involved.

There is still no set date and location for this although we are aiming for July; more information will be passed on to the groups as we nail down the date and exact location of the event.

Flyer Hanging Day-

NAWS is celebrating their first ever PR week themed "We are all PR" and asking area PR subcommittees to join in public relations building during that week. For more information on PR week please see https://www.na.org/?!D=pr_activities for more information on PR week.

As a subcommittee we decided to host a flyer hanging day that coincides with PR week. The flyer hanging day will be held on Saturday June 8th. The meet up location has yet to be identified but we suggest anyone looking to volunteer come to a planning day that will be held in May (exact date will be determined and distributed in the April subcommittee report). Depending on the number of addicts looking to be involved will depend on the number of locations each team will cover, the first flyer hanging day will only concentrate on the city of Providence starting down town and spreading outward if we have the capacity. It is suggested that anyone interested in participating comes to the planning day so that way they can become comfortable with the script/ suggested approach of speaking with owners on hanging flyers as well as providing any ideas and locations they think may be helpful.

A suggested flyer prototype will be submitted at the next ASC for approval and then copies will be made for distribution the day of.

Table Events:

The subcommittee is also exploring the idea of participating in more community table/ booth events this summer. If anyone has any ideas please submit them to the subcommittee with any contact information you might have. As we pick events this summer the committee will let the area know the date and time in case anyone is looking to volunteer or learn how PR works at community events.

In Loving Service,

Marissa J.
