RCM Report: (Mike D.)

We attended the last regional meeting virtually and was hosted by the south shore area. Basically, there was some discussion around the schedule conflicts with the chair and the vice chair that opens the breakout meetings for the subcommittee meetings and restructuring that and adding an area services committee that would incorporate a new ecm orientation. the hosting area would manage the breakout rooms and would divide the subcommittees up into three different time slots. Since we have been doing it virtually the vice chair and chair have been doing it themselves, but the RCM has not been able to attend a subcommittee meeting. They are looking to put that responsibility back onto the hosting area. I would like to put this into open forum. Other than that, the existing RD accepted a new 2 year term. The new AD is Jim D from Providence, and the new FD is Sam from Northeast MA. The available money for motions was at around \$106, so regional donations are needed.

BOD

The board met on 7 Dec 2020

We finalized a prudent reserve policy which has been sent to Policy before being presented to the ASC for a vote. We are working on policy for set asides and will meet again in January.

H&I: (Liz C.)

H&I Looking for support!

Our subcommittee met today from 1:30 – 2:15 pm with 5 people in attendance. We are continuing to hold regular commitments at Adcare. Adcare has been showing up more consistently this past month.

Up until this point we have typically been keeping the commitment open 10 minutes if they do not show up on time. Due to upcoming possible winter conditions causing connection issues, we have decided to extend that to 15 minutes.

At region this month, the topic of having a centralized H&I zoom account where all the facilities in the region could log into an H&I commitment and each area in the region would take a night. This was discussed in the executive committee and the H&I subcommittee. I will bring up all the concerns to be addressed at the next regional meeting including concerns about conflicting policies among the different areas.

Elections were held for panel leader and panel coordinator positions. A new panel coordinator was elected for Adcare. There are currently 3 open Weds positions (1,3,4) and 1 open Sat position (3). We are also looking for a secretary. An email was sent to website to update contact information for groups to sign up for commitments. We would appreciate it if everyone would announce both the open positions and to contact up for groups to sign up for commitments.

ILS,

Liz C, Chair

Public Relations Report (Steph G.)

The subcommittee met on December 27 at 2:15pm with good attendance. We opened with the serenity prayer, followed by the service prayer and the 12 traditions.

Topics Discussed:

Parole and Probation: The PR subcommittee is going to be focusing on building a relationship with the Parole, Probation, and Drug court of Rhode Island. We put together a letter and found contacts for the Department of Parole and Probation today. We will be sending out the letter in the next month offering a presentation.

Ad Hoc: The adhoc formed within the PR Subcommittee will be focusing on the relationship with the Womens ACI. They are putting together a presentation and would like to ask the area their thoughts on offering literature to the women. We have recently found out that the women's portion of the prison has not been receiving the literature being sent in by the H&I subcommittee and we would like to send them books if they would like them. We want to ask the area for their opinions before we offer it and then come back with a motion for an exact dollar amount.

We closed with the Serenity Prayer.

Sincerely,
Steph G.

Open Forum:

- NERSC committee breakout be handled by host area on Sat. of NERSC weekend, we are scheduled to host in April. FD will host breakout in Feb.
 - Billy H - Chelsea and I as the chair and vice chair are willing to be available for this duty.
 - Mike D - the chair and vice chair of region have been handling the breakout room, so when the subcommittees are meeting at the same time they let them in to the breakout rooms. However they aren't able to attend the subcommittee meetings because they have to stay in the host position. They are planning on adding a separate meeting called Area Services that is partly RCM orientation and partly area concerns, and separating the subcommittee time slots throughout the day.
 - Susan W - if we were meeting in person in April there would be a lot more people who would be willing to participate. If you had two devices you could also participate in a subcommittee meeting.
 - Marissa - Mike, when are they going to make a decision about changing the times? Also, it sounds like there is going to be this new area concerns committee, so are we saying that we need to attend our own subcommittee? I'm just trying to understand the changes.
 - Mike D - rather than having area concerns addressed at the RSC meeting on Sunday they will be discussed at the Area Services meeting on Saturday, and the different subcommittees would be spread out through the day, 11:00-5:00. The longer subcommittees will have the later time slots, and the shorter subcommittees will get the earlier time slots.
 - Marissa - so this would carry into if we began meeting in person again?
 - Mike D - this is just for virtual meetings that we are having right now. It was not discussed that it would be this way for live meetings.
 - Steph G - The regional PR put together a survey about attending in person and virtual meetings to identify how people are adapting. I will be attaching this link to the minutes for individuals to fill out.
-
- Marisa - People didn't know what they were supposed to say, how long it took. Could we have a section called group concerns where it was streamlined and talked about then? Also, renaming yourself with your position or group name.

- Johnny - I'm all for streamlining the ASC, there are some things that would absolutely be easier. Are we going to be focusing on changes that will work when we are in person? Or just on zoom? Then a couple of things like group reports, I don't know if eliminating the basic information about group reports might get rid of how some people learn how we work.
- Susan - I'm all for streamlining if we can, I certainly think that if you don't have a report or if you aren't a GSR maybe cutting that out. Personally I do listen to the GSR reports because there is information as to what's going on. We should be writing things down not waiting for the minutes. I'm not opposed to some new ideas. But is this just on zoom or when we go back together.
- Joe C - the reason that we come together is to see how other groups are doing, if a group is struggling we should hear about it at area. 90% of the time we don't hear that. we should care about if a group is not doing well and hear about that. if we left a spot for group conversation it would leave the door open for that. In my last area we wrote out reports and turned them in to include in the minutes. As far as the information when I sat in on the other area they read about a concept and I think it's important to spread information. in a perfect world every home group is studying this stuff and I think it's important if we are all on the same page if we all read the same information and go by the same service structure.
- Gina Z - I really appreciate everything Susan and Joe said. I'm new in every aspect. I think that I am just a covid bred recovering addict. I think that it would be great to read a concept a month. I think maybe there would be certain information that I should know that I should be bringing up in my report every month?
- Susan W - just a thought, the agenda is put together by the chair, maybe take the months and give it some thought and we could maybe try it a different way for one or two months before we completely change it. But ultimately it is up to the chair to change the agenda.
- Chelsea B - I like the idea of the concept of the month and I think that it makes sense to start in January doing a concept of the month. I was in service for a long time before I had any inkling of what the concepts were. I think teaching and development is important for those who are not getting it in their groups.
