Public Relations Report (Steph G.)

The PR Subcommittee met today with good attendance. We opened with a moment of silence followed by the serenity prayer and service prayer. We then read the 11th tradition.

Topics Discussed:

Probation & Parole: I emailed the head of Probation and Parole in RI and heard back and they are interested in a presentation. I called this week but did not get to speak with the woman however I did send an email with a little more information. More to report next month.

ADHOC: An email was sent to the DOC regarding women's ACI and an email was received back and they are interested however we are just waiting to hear back again. More will be reported next month.

Region Survey: The region put together a survey for groups and their experience within the COVID-19 pandemic. Mollie sent out the survey today, so please participate so we can receive the data collected from our area.

We spent the rest of the time discussing our comfortability level within the subcommittee, possible vice chair, and making more time for presentation practice next month.

Open Forum:

- Susan W - I was wondering if Johnny Wheels is interested in the website position if nominated? (Yes.) Just a suggestion, I was at a meeting where a member announced that where he worked was looking for speakers for a commitment. The group allowed it. To me that is not an NA announcement. I just want to let GSR's know that a secretary can stop it in a spiritual way and let them know it's not an NA announcement. I know it can be awkward, but we do have a responsibility.
- Joe C - just to touch on what Susan said, the 6th tradition talks about us endorsing facilities, and for multiple reasons we don't want to tie ourselves to outside facilities.
- Steph G - the meeting that was meeting at Amos house was a commitment style meeting where other groups came and spoke, but it was not an H&I scheduled commitment. The people at Amos house are allowed to leave the facility and have access to regular meetings. They have just as much opportunity to get on the website and access meetings.
- Mike D - My concern is that maybe not all of the clients at Amos house are able to get to outside meetings or understand the zoom concept if they go to the website. Maybe there are people who don't understand how they need to get to meetings and aren't able to access them.

- Steph G - I gave this individual the website as I would have anyone else, and he was supposed to pass it on to the facility. The treatment center has to give the individuals this information.
- Susan W- I am not saying that no one can go and speak at this facility, we just can't have these things announced at NA meetings. You can go and speak there, just not as a member of Narcotics Anonymous, as an individual on your own personal time.
- Billy H- I want to get some input. How did today go? How did you feel about the new agenda? Give me some feedback please, let me know.
- Christine M - I think that the roll call went a lot better because there wasn't one, I think it went very easy right into business. I was very pleased with that.
- Billy H - the one thing that was a concern for me was that during group concerns was that no one said anything, was there really nothing?
- Gina - My questions were answered during the meeting. Thumbs up, I liked the way it went.
- Susan W - could we say group concerns or announcements?
- Carrie - I think it was good, and I think maybe we could add how to progress after a few months of this. If there aren't a lot of group concerns maybe we could use that time as long as it stays efficient we could evaluate how to meet the areas needs and work on a natural area inventory.
- Mike D - the only concern i had today was that we only had 9 groups show up today. I think we need to encourage more groups show up. It has been more groups for months, so I don't know where the other groups are, but it would be nice if we sent something out to encourage other groups to attend.
- Joe C - I am in line with what you are thinking but some groups think that the area is the last sunday of the month when there are 5 sundays in the month. I think that you may find there are more next month
- Chelsea - there are football games on and the GSR's tend to be back after football season
- Billy H - Regional donation will be included in treasurer's report

B. Works with the Chair and Vice Chair to prepare a budget for the convention that is used for planning fund-raising activities. The budget is based on the subcommittee's recommendations as to the monies they will need to carry out their tasks. The budget can be a rough estimate at the beginning of the planning, and revised as the convention draws near. When all of the financial needs of the subcommittees are listed and totaled, the income should be outlined: one source of income comes from fund-raisers, and the second from registrations.

C. Writes all checks and is responsible for collecting receipts from subcommittees for money paid out.

D. Responsible for all monies—including revenues from registration and banquet tickets: pays all bills; and advises the Chair on cash supply, income flow, and rate of expenditures.

E. Reviews subcommittee reports for departures from the financial plan not mentioned in the original budget so that an accurate budget can be maintained. This information is included in the Treasurer's report.

F. Each check should require two signatures. Additionally, a complete Treasurer's report within three months after the convention should be submitted to the sponsoring service committee along with fund distribution. Many convention committees also have the report audited as a further safeguard of convention funds.

G. A periodic review of all financial records should be made by the sponsoring service area. The records should be reviewed at the time of the actual fund distribution in accordance with the Treasurer's financial statement requirements.
