RCM Report: (Mike D.)

This is my final report as the RCM. World services due to the lack of funds to host an in person WSC in 2022, they are moving the conference to 2023. As a result the RD and RDA team term has been extended until after the 2023 conference. Instead of getting the regular CAR report, they are going to have a zoom webinar to address the more important items that weren't addressed at last year's conference. So that is the plan going forward, and as soon as this is made available to the area it will be passed on to the GSR's. That is the main thing to take back to your members. NAWS is trying to move the focus of fund flow, which has been in the past dependent on literature sales, they aren't selling as much, so they are asking the fellowship to be more conscious of giving more in the basket as an individual member, group, areas, and regions. In the next several months there will be events posted on the world services instagram account. World services is trying to make sure they are able to continue to provide services. The service slam for the NE region has been moved to May 1st, and there is a fundraiser for the next NE regional convention next month, and that information is available on the NE region calendar of events. It has been my pleasure and honor to serve this area to the best of my ability. I attended the multi zonal service symposium at the end of August, and attended a local convention in TX. If you would like information I received from those events I would be happy to answer any questions.

Convention report (Susan W.)

We met today with 3 members in attendance. We did some brainstorming today about how to move forward as a committee. We will be meeting monthly here before area from 2-3pm to help get some consistency for the committee. We are working on a flyer to distribute inviting members to join the convention committee. We ask that everyone continue to announce during the month that the convention committee is looking for members & meets 2-3pm before our area meeting. Thank you,

Public Relations Report (Steph G.)

The PR Subcommittee met at 2:15 on October 23rd, 2021 with 3 members in attendance.

The PR Subcommittee did not have anything on the agenda for the following month so the subcommittee took the time to discuss PR in this area and what are options for the following year.

I will be reaching out to probation again to see if they are still open to a presentation and if they have any openings in their schedule.

The PR subcommittee also sat in on H&I and discussed the issue with zoom attendance at the facilities that commitments are currently held at. It was agreed upon by the subcommittee that the PR chair and the chair of the area will reach out to Phoenix House and Adcare to schedule a meeting. We will meet to discuss any other options that would best suit their needs at the moment to continue commitments and reaffirm that we are available and we remain a viable resource for their clients.

Elections will be held next month for the PR chair position at the ASC. We continue to urge members to get involved. Public relations is such a beautiful subcommittee to serve in and we have come together the past few years as an area and built many relationships within our community and would like to continue to have that service available within this area.

In Loving Service,
Steph G.
GPANA PR Chair

Greeting all

We had to renew our Website products this month. They were paid for by our PayPal account.
1. Single Domain SSL 1 year = \$80.04 Hostmonster invoice 12699923
2. Plus Hosting 6 Months = \$125.94 Hostmonster invoice 12695428
3. Dedicated IP 6 Months = \$35.94 Total \$241.92
I did make a few updates to meeting as requested by those groups. Again I am asking that the executive member as well as sub-committee chairs view their pages and supply me with any content changes that need to be made. Last month I did remove a lot of verbage for the ASC page that still contained invalid content pertaining to COVID and that our ASC was being held on line. We did talk about still having that as an option so that we could still conduct business on days where our location is not available or we are unable to have an ASC meeting due to weather. I think this is a good idea but we need to make some changes to support that option.
Thank you

In loving service

John F.

Open Forum:

Discussion on whether to have Area in December.
The date falls the day after Christmas.

Did we ever look into a key to provide for literature?
Chelsea will meet with church and ask about having a second key. More accessible for literature sales.
That way groups can prepare there literature needs for a month prior if there is no meeting.

Susan-

Make sure to announce to groups and anywhere you go that area is meeting in person. We need support. Mention sub committees. It really helps NA, as a whole. We are trying to get back on track after Covid.

Getting feedback from convention committee. Questions as to why there is no convention happening. Its only with area support that we can have a convention. It's not just up to the convention committee themselves.

Some people don't even know we are meeting in person. This is our area and we all need to participate. The most important person is the newcomer.

It functions as the administrative committee of the convention and holds separate, periodic and special-subcommittee meetings. Its function is to ensure that the various subcommittees work together and to assist subcommittees that may need extra help. The Executive Committee also makes regular reports to the Area Service Committee sponsoring the convention. The members of the Executive Committee discuss the performance of Subcommittees as well as the convention budget and other matters that affect the convention. The results of these discussions are included in reports at the convention committee meetings.
