ADMINISTRATIVE REPORTS:

Chair (Chelsea B.)

Hi, I am your Area Chair. I want to thank you for your patience with us today, as some of us could not be here today, the treasurer and literature reports will not be full today but will be in the minutes when they go out. Thank you.

Vice Chair (Sandy S.)

Hello, I am working on abbreviations and acronyms list for the area meetings for clarification for GSR's. I will be collecting additional data today. Thank you. - Sandy

Secretary (Gina Z.)

The Alternate Secretary is filling in this month.

Literature Report: (Rick D.):

First and foremost, I want to thank Sandy for his help last month, and Brett for his continued service. The latest book "Spiritual Principles A Day" is out and I have 10 copies ordered. Haven't had a chance to do much with our area's history, but as soon as a few things are settled here, I'm right on it.

There were a few discrepancies between the paperwork and the spreadsheet that were easily fixed. As we have moved into the 21st century, I believe that we should have an "Alternate" literature person. Someone who has some knowledge of computers and Microsoft Office.

Open Forum:

Carrie brought up our opportunity as a non profit to once a year purchase a substantially reduced price of software through Tech Soup.

If any one in the area is good with technology and has any ideas of possible softwares that would benefit our area, she was suggesting help from members.

Possibly bring up in business meetings and talk next month about possible softwares we could purchase.

The discussion progressed about possible software to use for online literature orders, if that is something the groups want, or if groups would rather come pay with cash rather than online.

Is there something else keeping groups from attending the monthly service committee?

We discussed possible ways to get more groups in our area involved in the service committee, and to see if the area is serving the groups the way they would like to be served.

The learning day was discussed as a possible way to get information to the groups, which is already scheduled to be held in December, however, Marissa brought up a digital survey to be more easily accessible to groups.

Possibility of meeting times changing if no longer works for the groups.

Possible ideas were discussed further, such as an ADHOC or the digital survey that could be brought to the groups to ask questions of what they would like to see from the area meeting and how they would like to be served.

The Convention Subcommittee Executive committee executes the conscience of the overall committee. It functions as the administrative committee of the convention and holds separate, periodic and special-subcommittee meetings. Its function is to ensure that the various subcommittees work together and to assist subcommittees that may need extra help. The Executive Committee also makes regular reports to the Area Service Committee sponsoring the convention. The members of the Executive Committee discuss the performance of Subcommittees as well as the convention budget and other matters that affect the convention. The results of these discussions are included in reports at the convention committee meetings.

Many convention committees also have the report audited as a further safeguard of convention funds.
